

RENTER'S INSURANCE REQUIREMENT

Your renter's insurance policy will need to be turned into the office **BEFORE** you can receive keys to move in. You will need to add DreamMaker LLC as an "Additional Interest" with our information listed below.

As a reminder: Your lease states that management furnishes NO insurance to protect you from legal liability or personal property loss for any reason. To protect yourself from such losses, you have agreed to maintain a renter's insurance policy. We recommend getting quotes from the same insurance company that proves your vehicle insurance because many companies offer multi-policy discounts. If you do not have a renter's insurance provider or you are seeking new coverage please consider the following:

Our Recommendations: We have partnered with Buffalo Insurance in Norman and highly recommend using them for your renter's insurance. You can contact Travis Gatewood to set up your policy at (405) 561-6220 or submit a request from the website at www.insuredbybuffalo.com.

We also have several tenants who have opted to use the new Lemonade Insurance for a quick and affordable option. You can get more information at www.lemonade.com, and even sign up right from your phone.

Note: DreamMaker LLC's leasing office employees are not licensed agents nor employed by Buffalo Insurance or Lemonade. We make no guarantees or promises regarding their insurance or services provided and there is no obligation to purchase renters insurance through Buffalo Insurance or Lemonade.

Choose Your Own Company:

To choose another insurance company, you will need to provide the office an insurance certificate or declaration page showing your insurance company, the property address, dates of policy coverage, and listing **DreamMaker LLC as an "Additional Interest"** with our information below. If you have any questions or concerns, please reach out to the office or your property manager.
